THE FIFTH COLUMN, La Revue Canadienne des Etudiants en Architecture, est publiée l'automne, l'hiver, le printemps et l'été par le Regroupement des Etudiants d'Architecture du Canada de l'Institut Royal d'Architecture du Canada; le tout sans aucun but lucratif mais plutôt afin de faciliter l'étude architecturale. Dans ce sens, des contributions de la part de la communauté architecturale canadienne seront grandement appréciées. Ils doivent être dactylographiés, à double interligne sur feuilles régulières. Les articles et les opinions qui paraissent dans la revue sont publiés sous la responsabilité exclusive de leurs auteurs. Afin de faciliter les critiques et commentaires ou la parution ultérieure de compte-rendus, certains dessins, photographies ou extraits d'autres sources ont été reproduits.
